EKLEREN HISTORY

Our journey began with Facebook ads, branching into WhatsApp sales while maintaining a strong Facebook presence for customer acquisition. As we flourished and established a significant customer base, we evolved to a dedicated website. Although predominantly web-based, we continue to operate on WhatsApp for customers who prefer a more personalized experience. Additionally, we introduced an easy online payment option through Easypaisa, allowing seamless transactions with a simple scan-and-pay method.

OUR COMPANY **MISSION**

Connecting Through Choice: Ekleren is committed to offering a comprehensive range of streaming services and products, ensuring our customers have the freedom to tailor their entertainment journey to their unique tastes and preferences.

Ekleren strives to redefine the landscape of digital entertainment by consistently delivering high-quality streaming services and thoughtfully curated products that inspire and enhance our customers' lifestyles.
